Report on Interactive Session for the parents of pre-primary

The most overwhelming key to child’s success is the positive involvement of the parents and the school. Keeping this in mind Nursery Department of Arvind Gupta DAV Public School, Model Town organised an Interactive Session for the new parents of PrePrimary on 25th April 2015. The session was aimed at acquainting the parents with the school curriculum, teaching methodology, school’s various programmes that were held in school previously and about the upcoming events as well as the general policies of the school. The session helped the parents to understand the Phonetic Sounds, Holidays Assignments, Practice worksheets, how to access the student’s login Id and about what their children will experience in the school so that they can be more supportive and less anxious. The session assured them that their ward is now a part of AGDAV family which firmly believes in promoting knowledge through joyful and playful means thus providing a healthy atmosphere for the growth and development to the fullest. After the wrapping up of the session the relevant circulars and the newsletters were distributed among the parents.
