

Trained to adopt innovative teaching techniques

With a view to empower teachers with knowledge, skills and positive attitude, a two-day capacity building programme was organised at **Arvind Gupta DAV Centenary Public School, Model Town**. Around 70 teachers from different schools of DAVs in Delhi participated in the workshop. Aimed to make teaching modules interesting and informative, the session was based on the modules of Integrated Approach of Learning and Language Development.

The resource persons discussed

about the objectives and technology of Integrated Approach which should be followed by the teachers in their teaching methodology. They

also laid stress on thematic approach and layered learning of teaching along with methods to be adopted to make teaching more effective.

A plethora of activities based on the theme of 'animals' was organised for the teachers like jigsaw puzzles, playing Paws Game, dancing and singing songs and rhymes on different animals. Teachers also performed the Puppet Show and enacted on animal based story. School principal Mala Sood interacted with the teachers during the session to motivate them.
