

Know the urgency to balance ecosystem

The students of **Arvind Gupta DAV Public School, Model Town** organised Tiger Day to make students aware about the importance of wildlife.

School principal Mala Sood, Supervisory Head Sonu Sahni and the teachers took an initiative to enable the helping staff about the conservation of Tiger.

Activity was organised for them where all the helping staff were invited on the school stage and they had to solve the puzzles of tiger pictures and they had to arrange the puzzle pieces in seriation. The students also participated in a variety of events with an aim of raising awareness in regard to the plight of Tigers. Paper bag tiger puppet making activity was organ-

ised for the students.

The teachers concluded the day with a discussion that highlighted the importance of environmental welfare and tiger conservation and the need to raise awareness about saving tigers and its future in the wild.
