

With a view to empower teachers with effective skills of teaching, a two-day 'Capacity Building Programme' on Early Education Development Programme (EEDP) was organised by **Arvind Gupta DAV Centenary Public School, Model Town** under the supervision of Nursery head Sonu Sahni. Teachers of different schools of DAV participated in the workshop. The aim was to make teaching modules interesting and interactive. The session was divided as per different modules based on listening, speaking, reading and writing.

The workshop started with the traditional lamp lighting by school principal Mala Sood. A short movie- 'Pressure on pre-schoolers' was shown and discussed to reduce the pressure on kids. The resource persons discouraged the idea of conducting IQ tests for admissions in class-I. Emphasis was laid on adopting play-way method where children learn by doing. Participants came out with their innovative ideas where they suggested many interesting activities.
