

# LIFE

Life is what you make it  
You commit lots of mistakes  
Some people learn from  
their mistakes  
Some do not  
But one thing I must say  
That, the people who do  
great things  
Are the one who learn  
from their mistakes  
So for God's sake learn  
from your mistakes  
Do your best to achieve great  
things because  
Life is what you make it  
In it you commit lots of  
mistakes
