

CAPACITY BUILDING PROGRAMME

A three-day capacity building workshop was conducted in AGDAV Centenary Public School, North Ex, Model Town. Around 60 nursery teachers from different DAV branches in Delhi attended the event. The programme started with a warm welcome of all the participants by school principal Mala Sood. This was followed by introductory games aimed at enriching the vocabulary of children at an early age. PowerPoint presentations and videos were shown to the teachers about the importance of communication. The mentors emphasised on the principles, objectives, goals and components of the communication skills. They acquainted teachers with innovative strategies to develop English communication. The mentors explained the objectives, goals and components of Hindi language and emphasised why we use the language. The session ended by a vote of thanks by Sonu Sahni, the supervisory head, who also shared practical classroom teaching experiences and discussed remedial measures.
