

Making teaching modules interactive

In an aim to empower teachers with knowledge, skills and positive attitude, a capacity building programme on 'Socio-emotional development' was organised at **Arvind Gupta DAV Centenary Public School, Model Town**. Around 70 teachers from different DAV schools participated in the session. Mentors Poonam Khurana from Darbari Lal DAV Public School, Pitampura and Ritu Jaitly from DAV Public School, Sonapat conducted the workshop.

A plethora of activities was organised for teachers like the balloon game where the participants played games with colourful balloons like passing the parcel, concentration game, etc to make children aware about team spirit and coordination. A brief screening of 'A Rainbow Fish' was shown to make children aware about the values of sharing and caring. An activity titled 'Mirror game' was played with the teachers where they had to enact like partners

to make children learn from their peer group.

The session was electrified when 'Emoji game' was played where all the teachers enacted like one helper with one emotion. Impetus was given on child centric, play oriented activity based learning, phonic approach in teaching English language and developing language skills. The workshop concluded with a vote of thanks by school principal Mala Sood and supervisor Sonu Sahni.
